

# Santa Barbara City Re-Development

The League of Women Voters of Santa Barbara supports the re-development of the city of Santa Barbara.

## **Position History:**

Established 1980.

**Support** of the following criteria for evaluating central city re-development:

- Provision of benefits to the community in any publicly funded re-development.
- Top priority for rehabilitation of older homes where feasible, and for expansion of the low and moderate income housing supply.
- High priority for consideration of parks and open space.

## **Issues:**

HOUSING

LOCAL GOVERNMENT

LAND USE
